Zululand Computer Technologies is a professional Computer Solutions Provider based in Richards Bay. We look after the computer & technology needs of Home and reasonably sized Businesses. We offer a diverse portfolio of Professional Computer Services carried out at your home or office, our fully equipped central workshop or via remote access.

Fast and friendly response:

It is important to us to be there for you when and where you need us. We pride ourselves on being able to offer a same day response to allow you, your staff and your customers to gain the most value from your technology investment.

Forget about taking your computer or printer to a Service Centre and losing it for days or even weeks. We'll come to your business at a time to suit you. We are committed to providing a highly responsive, Customer-Focused service at an affordable price.

Flexible Hours:

We appreciate your business. Our phone lines are staffed 24/7

Our services

We offer a diverse portfolio of Professional Computer Services carried out on-site (at your location) or at our premises.

Technology Consultancy:

- The only constant is change. With technology changing so rapidly, how do you know what you purchase today will work tomorrow? How can you keep up with and take advantage of the latest Hardware and Software offerings that will increase your productivity?
- Sometimes all you need is someone to help you navigate your way through the rapidly changing sea of technology. Or maybe, you just want a little advice or a second opinion for reassurance and peace of mind.
- We endeavour to know your business so that we can offer the most efficient and cost-effective solutions to your Technological Requirements. We are proud to enable our customers to grow through technology.

Data backup & recovery:

- We have a wide range of Hardware and Software Solutions for the automatic backup of your companies' data. We can recommend a solution specific to your needs.

Networking and Network Support:

- We can implement Printer, Folder and File Sharing between computers and inter-office connections and allow for the sharing of Broadband Internet Connections. We design and supply Wired and Wireless Network Solutions.
- We have access to a range of networking devices including D-Link, TP-link, Tenda, Cisco, and lots more.

Hardware Repair:

- We have a fully equipped electronics and computer repair workshop. We have access to a range of parts to diagnose, quote and repair Laptops, Desktop Computers, and Printers.

Remote Access:

- We can let you or your team work from out of the office without compromising security. You can access your company software, accounts and files systems remotely.

Internet & Email:

- We offer full Internet Services Provider (ISP) services from Home ADSL packages to large 40mb speed Uncapped Services. We can include your ADSL Line services in your package costs, which saves you money, and also gives you the ability to have a One-Call Service no matter the fault, no more need for Call Centres or lengthy ques!

Virus, Spam & Malware-ware protection and removal:

- We can assess, repair and then protect your computer and network from Viral Threats. We have a wide range of Anti-Virus Software available and can recommend the best solution for your needs.
-

Products

- We have Wholesale Buying Arrangements in place with multiple suppliers and manufacturers.
- We deliver, install and configure all Hardware and Accessories we supply to businesses with the goal of keeping you and your team running as smoothly, efficiently and cost effectively as possible.
- When we supply a product we vow to stand by you and your expectations of that product.

We supply:

Need help to find it? If you can't find what you are looking for, or aren't really sure what best suits your needs, just ask us! We'll even answer any Technical questions you have.

Why use us?

We have a sincere desire to make your business work quickly and efficiently.

We are local and speak in understandable English you can understand. We promise to never speak to you, your staff or your customers in "Binary" or "Klingon" or use "Jargon".

We provide fast response times and callouts can be logged either telephonically on 071 330 9113, via email to callouts@zct.co.za or via our website www.zct.co.za

We have a wide area of coverage for support and callouts, including Richards Bay, Empangeni, Mtubatuba and even as far as Durban.

We are competitively priced. We do not invest in unnecessary offices and showrooms, fleets of executive vehicles and other non-essential services so can offer very fair rates to our clients.

We are 100% independent which enables us to sincerely present the product and/or solution best suited to your needs...not ours.
